

Companion E-Book

Companion e-Book

Available nowhere else is the Companion e-book that contains an endless amount of bonus material.

Just Jump walks you through setting up your business and seeing clients, beginning with your vision, completing with your marketing calendar. It is a workbook.

This companion e-book available to help you through the workbook process. This e-book includes all worksheets for the exercises in the book, along with other 'extras' about corporate structure, contracts, putting a website together, among other things. The e-book contains other products that, if bought separately, would cost you over \$25! If you purchase the ebook with Just Jump, you only spend \$5.

Just Jump Companion e-Book \$15.00

Purchase the Book & Companion e-Book together and SAVE! Set \$34.95
